JOHN P. CRONAN, United States District Judge:

The Probation Department has submitted a request that the Court grant early termination of Defendant Seth Andrew's supervised release. In that request, the Probation Department indicated that the United States of America opposes early termination for Defendant. In the event the Government opposes early termination, it shall file a letter with its position within two weeks of this Order. If the Government opposes early termination, Defendant may file a response within two weeks of the Government's opposition.

SO ORDERED.
